

Brooklyn Center Little League has been serving our community since 1958. We are a non-profit (501C3) organization operated completely on volunteers. We rely on the generosity and support from our parents, businesses, charitable organizations and volunteers to keep our program successful each year. We are always looking for new sponsors and donations of any dollar amount and/or items of monetary value. This ranges from replacing old and out dated equipment, coaches training equipment, field maintenance, and prizes for our end of the year celebration and raffle drawing; to sponsoring a team with your company logo or name on the back of the jersey for a complete season.

If you are wondering just how far your business advertising could potentially reach by donating to Brooklyn Center Little League, we have 3 fields complete with score booths that can be used for announcing your sponsorship during the game. We also have one large concession stand known for our burgers located at 6030 Vincent Ave. Your generous donation will also travel with us and be seen as we compete with the following local Little Leagues: Coon Rapids, Otsego, Crystal, Robbinsdale, St. Louis Park, Hopkins, Plymouth/New Hope and Hamel. As a bonus, we host our Regular Season Tournament, an Official Little League Tournament, and our Fall Ball Program

Attached are some different tier levels in which your company could use to help Brooklyn Center Little League. We look forward to doing business with you and your company this year and in years to come!

Banner/Sign example: Your company logo and information will go inside the green box. Image must be designed and ready to submit.

*Image information for your banner/sign:

Raster images (like photos) are comprised of pixels – or, dots of color.

- High resolution means there are many dots per inch.
- Low resolution means fewer dots per inch, and poorer quality.
- For our banners, aim for at least 300 dpi at the desired image size (2.5' x 4')

Vector images are not comprised of pixels; they are calculated and displayed with the help of mathematical equations.

- They can be stretched to any size while maintaining high quality.
- It is preferable to use vector images whenever possible.

Images will need to be emailed to bclmnbbaseball@gmail.com – Subject SPONSOR IMAGE
